God Provides

Part 4 of 4

September 29 & 30, 2018 / Pastor Bill Beckmann

**God provides for and protects the people of Israel.
He does the same for you and me.**

We are challenged to keep our eyes on miracles around us and to be aware of the blessings God pours into our lives every day.

Grace

God's unconditional love: an " _____ " we don't deserve.

Grace adds strength to our daily living, provides forgiveness for our sins and shortcomings, and assures us of eternal life.

Because of the cross of Christ we can:

face the challenges of life with a confident faith

share each other's burdens, and

live knowing we are Spirit-filled people equipped for _____.
